

## Parent Response Form

Dear Parent,

Adams' counselors would like to know some unique things about our seniors! Please help us by completing the form below. Be funny; be serious; be honest; be proud. The more we know, the better our ability to help guide your son or daughter through the senior year/college/work process.

Only your child's counselor will have access to this confidential information. It is optional - you can fill out as much or as little as you choose. Please send this completed form in **to the counseling office** with your student.

**Student Name (First & Last):** \_\_\_\_\_

**Parent/Guardian First & Last Name(s):** \_\_\_\_\_

If there are particular expectations that you have for your son's/daughter's future, or any particular school that you have in mind for your child, please feel free to list them here.

If you had to describe your son/daughter in only five adjectives, what would they be?

Please share some specific examples that illustrate your student's character.

Describe one or two major events that you see as turning points in your daughter's or son's life and explain why you view them as such.

*(Turn page over for more questions!)*

Her/his greatest strengths and weaknesses:

I am/We are proud of our child because.....(specific anecdotes are particularly welcome)

Is there anything you wish to add which would help us in knowing your student?  
(i.e. educational background, special family situation, special medical history, personal achievements, etc.)

If you have an email address at which your student's counselor can contact you during the senior year, please provide it here (indicate if the address belongs to mother, father, guardian, or family): \_\_\_\_\_
